Dear Parent/Guardian:

State legislation authorizes the loan of textbooks, instructional material and equipment by the Secretary of Education to Pennsylvania children enrolled in kindergarten through grade 12 in nonpublic and private schools. Our school is now in the process of requesting specific textbooks, materials and equipment to be loaned to your child(ren). It is required, however, that a parent/guardian of each child attending the non public or private school individually request a loan of textbooks, instructional materials and equipment. We are, therefore, enclosing the individual request form. Please sign the form, date it and return it to school immediately.

Thank you for your continued assistance and cooperation.

Very truly yours,

Mrs. Susan B. Lowe
Principal

DENTAL EXAMINATION

The Pennsylvania School Health Law requires dental examinations for children--one upon entrance into school, one in third grade, and one in seventh grade. These grades were selected because they represent critical periods of growth and development in a child's life. We recommend you take your child to your private dentist before **Jan. 1** and return the following form to the school nurse. **If the school nurse or dental hygienist in the building where your child attends school has not received the completed form by Jan. 1st**, the school dentist or dental hygienist will schedule your child for a dental examination.
Your interest and cooperation is appreciated.
