

Birthday Book Club

October 11, 2016

Dear Parents,

We are continuing a Birthday Book Club for the students at Notre Dame de Lourdes School and we invite you to join! If your child's birthday is during the school year, you may purchase a Birthday Book during the month of his or her birthday. Your child may also join the club throughout the year, even if his or her birthday has passed or is in the summer. It is easy to do.

Parents, please fill in the bottom portion of this letter and attach \$13.00 in an envelope to buy a Birthday Book chosen by your child. Have your child bring the envelope to the library at their class' scheduled library period and he/she can pick out one of the new hardcover books we bought just for the club. We will place a special Birthday Book Club Bookplate inside the front cover with your child's name and birthday on it. Your child's name will also appear all year on the Birthday Book Club poster displayed in the library.

Your child then takes the book home to read for one week. It may be renewed at the scheduled library period if needed. When the book is returned, it is donated to our library. The Birthday Book will be enjoyed by many children for a long time to come!

Please discuss the club with your child and consider joining! In fact, we encourage you to join every year. Also, feel free to copy this letter if you have other children who would like to join.

Sincerely,

Mrs. Judy Hedtke, Librarian
