

Gardening Help Needed!

Saturday, August 7th 9am

Please come help Mrs. Basilio mulch our gardens for a fall freshen up! If you cannot make it, please consider donating towards the purchase of mulch. Your help is greatly appreciated.

Approximately 400 bags of mulch are needed to complete our project. To make this possible we need **VOLUNTEERS** as well as **DONATIONS** of **BLACK MULCH**. If you are able to volunteer or donate mulch -or both- please keep reading...

If you are donating mulch, please bring the bags to ND on Wednesday, August 4 and place the bags in front of Nelson Hall.

Any 7th grader participating will count towards community service hours for confirmation!

All children must be accompanied by a parent please.
